

THE IDEAL SOLUTION FOR ULTRA-SAFE STORAGE AND TRANSPORTATION OF SENSITIVE DATA

The TDK Life on Record Software Encrypted Secure Drive is an easy-to-use, trouble-free way to protect your data. Even if the drive is lost or stolen, your sensitive information will always remain secure.

AES 256-bit encryption prevents file access without a password and helps you protect your important files. The pre-loaded software encryption allows you to safeguard your confidential information. Simply plug in your device, launch the encryption using your unique password, and rest assured that your files will stay protected.

Features & Benefits

AES 256-bit software encryption keeps your documents secure

Pre-loaded, easy-to-use software; no downloading or installation required

Choose which files are confidential and which are public with dual storage option

360° rotating never-lose swivel cap

Technical Specifications

Available Capacities: 8GB, 16GB, 32GB, 64GB

Size: 53 x 16 x 10 mm

5 Year Limited Warranty
